

20 MAY 2023

UPTON STATE FOREST

Catholic Hike

Join members of St. Brendan's parish to enjoy the outdoors and pray. This is an intermediate hike, approximately 3 miles, and 3 hours long. Teenagers are welcome, but no small children please. Dogs on leashes OK. Bring: water, snacks, and bug spray. Wear hiking boots, a long-sleeved shirt and pants, and a hat (tick season). No bathroom facilities on-site.

We can pray perfectly when we are out in the mountains or on a lake and we feel at one with nature. Nature speaks for us or rather speaks to us. We pray perfectly.
